Great American Cleanup Mississippi

Keep Ridgeland Beautiful is inviting Homeowners Associations in Ridgeland to partner with us for the Great American Cleanup Mississippi on Saturday, May 10, 2014. Neighborhood volunteers may participate in this event to beautify your neighborhood as well as keep up property values.

Keep Ridgeland Beautiful suggests cleaning up trash and debris in your neighborhoods or other selected areas near your homes as well as sprucing up neighborhood green areas with landscaping and completing improvement projects.

Have fun with Great American Cleanup Mississippi! Some neighborhoods may want to plan activities such as a post-cleanup cookout and game night or competitions for the largest number of trash bags filled. Most importantly, be a good neighbor and enjoy making your area more beautiful.

Please take photos of areas before, during and after cleanup. We want to share your success! You may email your photos to Mike.McCollum@RidgelandMS.org.

If you collect any hazardous waste during the Great American Cleanup Mississippi, please bring it to Household Hazardous Waste Day on Saturday, May 17 at Holmes Community College from 8 a.m. – 12 p.m.
